

APPENDIX CONTENTS...

A.	Alabama Memorandum	377
B.	Elements of Paleontology	378
C.	Godfrey on Human Footprints	379
D.	Gray on Human Foot	383
E.	Field Notes by Roland T. Bird	385
F.	Conversation with a Park Ranger	387
G.	Report by Old-timer Charlie Moss	388
H.	Reports of Old-timer interviews by George Westcott, M.D.	391
I.	Field Notes and Standard Model Calculations by Ron J. Hastings	437
J.	Controlled Experiments with Pulverized Limestone and Water	460
K.	Copy of handwritten Letter by John DeVilbis (Geophysicist)	464
L.	Copy of letter from Russel Bixler (documentarian) to Laurie Godfrey . .	465
M.	Copy of letter from William Dannemeyer, Congress of United States . .	467
N.	Copy of handwritten notes by Otho Perkins (educator)	468
O.	Copy of letter from Robert Helfenstine (engineer)	469
P.	Copy of Chemical and Engineering articles on polystrate fossil whale .	470
Q.	Copy of article in JST on rapid formation of coal	471
R.	Copy of Argonne Scientists' article of rapid production of coal	472
S.	Copy of paper on model restructure involving explanation for rapid deposition of sedimentary layering which includes formation of coal and polystrate fossils, by M.E. Clark and H.D. Voss	473
T.	Copy of letter by Harold Slusher (physicist)	475
U.	Copy of handwritten letter by Grover Gibbs (eyewitness to footprint) . .	476
V.	Burdick track vindicated by Don Patton (article)	478
W.	Copy of letter by Jerold Lowenstein (lab director)	481
X.	Copy of letter by Kevin McLeod (orthopedic surgeon)	482
Y.	Article critical of Evolution by Agnostic Evolutionists	486
Z.	Short list of addition parallel literature review	495
