Typed interview with Char. Moss

Age, children, size of farm, how
 where, background, etc. (Mentioned not?)
 When did prints 1st appear? How
 many? Length of track, describe
 tracks? How do "over tracks"
 explain dino + human tracks?
 When did tracks disappear, month
 + year. Where you have or in any
 them? Found 53 ft. high? Tracks
 forming a Y from over how many
 miles of road. Who set tracks?
