

N. Copy of handwritten notes by Otho Perkins (educator)

Congress of the United States  
 House of Representatives  
 Washington, D.C. 20515  
 OFFICIAL BUSINESS

Oct. 26, 83  
 Bill Jonnagayn  
 Dr. James Ferguson  
 " Otho Perkins

Dr. Carl F. Ebaugh  
 Crystal City International,  
 Baptist College  
 P.O. Box 30  
 Crystal City, Missouri 63019

What I've seen in your presentation is "real science"  
 Otho Perkins  
 Science Supervisor  
 Director of Science  
 Columbus, Ohio Public School System  
 (and archaeologist)

This certainly adds new documented evidence which should cause us to rethink our concepts of life history. [This is a] bright spot in research uncovering new evidences rather than relying on old documentation. (Otho Perkins as quoted by participants in the interview)

Call (602) 724-1883  
 (602) 612-861-5288  
 Walt Long

This certainly adds new documented evidence which should cause us to rethink our concepts of life history. [This is a] bright spot in research uncovering new evidences rather than relying on old documentation. (Otho Perkins as quoted by participants in the interview)

Notes written on envelope available at time of interview with Otho Perkins, Ph.D., Science Supervisor and Director of Science Curricula for Columbus, Ohio Public School System:

Text: What I've seen in your presentation is "real science" Otho Perkins

Text: This certainly adds new documented evidence which should cause us to rethink our concepts of life history. [This is a] bright spot in research uncovering new evidences rather than relying on old documentation. (Otho Perkins as quoted by participants in the interview)
